Notes

Tuition Fee Charge Guideline if:

(a) Deferment of studies : Registered students who are approved to defer their studies before the end of the mid -semester break will be given a half exemption of tuition fees. On the other hand, if deferral approval is obtained after the mid-semester break ends, the student is not eligible for any reduction or refund.

(b) Courses can only be offered if there are 4 or more students for each section. If there are less than 4 students, the class should be conducted as an **independent study**.

(c) The Program Coordinator is responsible for ensuring a complete lecture schedule by filling in the number of students and section number for each course. Incomplete schedules and not signed by the director will be returned for correction purposes.
